NO. 2.

Barnett-Todd.

Mr. Isaac Barnett and Miss Dora Todd were married at the bride's home two miles south of this city yesterday afternoon at two o'clock. Both the contracting parties are leading young people of the community, the bride being the beautiful young daughter of Mr. and Mrs. P. D. Todd while the groom is a prosperous young farmer of Spout Spring. The Times extend hearty congratulations.

The Star of Bethlehem.

An exchange says that people of this country can at the present time witness the star of Bethlehem, a star which comes up in the east each night during the present year. It is said that this star only appears once in five hundred years, and is noticeable for its brightness and stands out in bold relief from all other stars. The star is not visible until about midnight, so if you wish to see it you should arise early in the morning.

This star is supposed to be the one which guided the three wise men from the far east to the sta-

ble of Bethlehem where the Savior was born. The theory is that the star appears once in five hundred years and can be seen all over the world.

Mr. John F. Woodward one of the candidates for the office of County Court Clerk, is a cripple, and has a widowed mother, two small brothers and a sister to support, which is a most difficult task under ordinary conditions. He appeals to the support of his fellow Democrats with this serious condition before them, and will be doubly thankful for their assistance in the campaign and at the polls of the primary election February 6th.

For County Judge.

The formal announcement of Mr. J. M. Welch for County Judge appears in this issue of The Times, subject to the Democratic Primary. Mr. Welch is one of our very best citizens and is admirably fitted for County Judge. He is a sure and true Democrat and is one which richly deserves the consideration of all Democrats in the county.

Shortage of Calendars.

The hard times are conspicuously depicted in the general distribution of calendars. Many firms whose calendars have for years beautifully decorated our walls are notably absent this time, and every day we have calls at our office for the much needed, yet surely missing calendar.

While out riding with her husband in Christian county Monday night, and while the latter had gone to a farm house for aid, his buggy having broken down, Mrs. John T. Watson, a well-respected white woman, was brutally assaulted by a negro who was later captured and spirited away to Henderson to escape mob violence.

The Carpenters of Winchester have formed a union of 35 members.

MORE LOCALS.

Mrs. Pete Phillips is very sick at this time.

C. W. Barnett, of Winchester, is in the city on business.

Mrs. W. W. Wilson is very sick at her home in Waltersville with the grip.

Miss Nettie Patterson has resigned the position as matron at the Orphan's Home and will engage in school work at Jackson.

The Burley Tobacco Society will shortly begin the publication of a weekly farm journal at Winchester devoted specially to the Society's interests.

Mrs. Williams has now going on a great Clearance sale that should interest buyers everywhere. Read her new ad for particulars and go see what she is offering.

The L. & F. pay car gave this city a visit Monday and left about \$1,000.00 with its employees at this city. Little things like this is now most highly appreciated even during these flourishing (?) times.

Brodhead-Garrett Company have started up their saw mill across the river giving much needed employment to the usual number of hands. We are anxious for other industries to resume, but there seems but little hopes to relieve our anxiety.

Owing to the mild winter stock all over the country is looking much better than usual at this time of the year, and feed seems rather plentiful yet. The present cold spell will likely set them back a little if it lasts long especially where cattle are exposed to the weather.

DEATHS.

The widow Stephens died on Pompeii Friday and was buried Saturday.

Trevett Moore died at Camargo Sunday night. The remains were brought to this city Tuesday for burial.

Mrs. J. D. Hall died across the river from this city Friday afternoon. Burial Saturday at the Roberts graveyard. Funeral services first being conducted by the Rev. Robt N. Bush.

Mrs. Nannie Gentry Wright, widow of the late Joseph P. Wright, died at Richmond, Thursday, January 7th aged 76 years. She died of congestion of the lungs and was sick but ten hours. Mrs. Wright was well and favorably known in this city when she resided here a few years ago.

James Herbert Reed, of St. Joseph, Mo., died at the home of James Barker in this city this morning at six o'clock after an illness of ten days. Deceased was an excellent young man, twenty years old and formerly lived in this city. He has always been partially afflicted. His father, Eld. James Reed, formerly of Estill county was called here from their present home in Missouri about one week ago on account of the son's illness. At the time of going to press the funeral arrangements had not been arranged.

Farm For Rent.

About 100 acres on Hardwick's Creek. Some corn land with good dwelling, orchard and plenty of water. For further information apply to

Mrs. J. W. McKinney,
or W. F. Barnett,
Clay City, Ky.

The laws of the district of Columbia give negroes the same rights at hotels as white people, but a recent decision provided, it is said, that "undesirable patrons" may be charged any price the proprietor fixes. For instance, if a negro should drop in to a fashionable cafe in Washington and politely ask for a cup of coffee, the urbane manager will probably inform him that the price is \$2.35. If he wants a plain steak he will be told that the price is \$11.60. If he should like onions with it, the price is \$1.25. Verily there are many ways of killing a dog besides choking him to death with butter.

A pretty good snow fell Monday night, the first to cover the ground this winter. The snow was a welcome visitor to most of us, as the winter has so far been very mild and rather monotonous for the season. A tide will likely follow the melting of the snow.

The Court View Hotel burned at Winchester Thursday morning. H. T. Eals, of Cynthiana, was burned in the ruins. All the occupants had to jump from the burning building to save their lives and many were injured in this way.

We trust our subscribers, all who are in arrears, will call and settle what they owe. The postal laws unreservedly require that subscriptions must be paid in advance, and at least cannot be mailed after one year's delinquency. We dislike to discontinue the paper to any subscriber who wants it and we also dislike to disobey the law which puts us in a hard place that can be so easily remedied by all paying up. Please do this.

Teddy Roosevelt has jumped onto Senator Ben Tillman with his big stick making some serious charges. Tillman effectively brings his pitchfork into action, clearly defending himself and asserting that the President himself lives in a glass house and on a glass floor.

There is said to be a wide breach between Gov. Willson and the other Republican officials at Frankfort, the latter claiming the Governor is ignoring them on questions on which they maintain they should be consulted. They should not be so hard on the Governor he has, only an acute attack of Teddyitis.

Misery in stomach.

Why not start now—today, and forever rid yourself of Stomach trouble and indigestion? A dieted stomach gets the blues and grumbles. Give it a good eat, then take Pape's Diapepsin to start the digestive juices working. There will be no dyspepsia or belching of Gas or eructations of undigested food; no feeling like a lump of lead in the stomach or heartburn, sick headache and Dizziness and your food will not ferment and poison your breath with nauseous odors.

Pape's Diapepsin costs only 50 cents for a large case at any drug store here, and will relieve the most obstinate case of Indigestion and Upset Stomach in five minutes.

There is nothing else better to take Gas from the Stomach and cleanse the stomach and intestines, and besides, one triadule will digest and prepare for assimilation into the blood all your food the same as a sound, healthy stomach would do it.

Pape's Diapepsin works your stomach rests gets itself in order, cleans up—and then you feel like eating when you come to the table, and what you eat will do you good.

Absolute relief from all Stomach Misery is waiting for you as soon as you decide to begin taking Diapepsin. Tell your druggist that you want Pape's Diapepsin, because you want to be thoroughly cured of indigestion.

There were eleven circuses in the South last fall, including the Republican circus with William Howard Taft as the "Fat Boy wonder."

In reference to the results of last fall's election, "I told you so" were as thick everywhere as trust gravy in the Republican frying pan.

The South will never go Republican, for they tried it once—then Northern Republican scallaws were as thick here as pie hunters now in Taft's back yard.

The election last fall decided that the men who milk the public cow shall continue to do the milking and keep the cream, while the people furnish the hay, and the other fellows the votes.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. Make It Yourself.

There is so much Rheumatism here in our neighborhood now that the following advice will be highly appreciated by those who suffer:

Get from any good pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces of Compound Syrup Sarsaparilla. Shake these well in a bottle and take in teaspoonful doses after each meal and at bedtime; also drink plenty of good water.

It is claimed that there are few victims of this dread and torturous disease who will fail to find ready relief in this simple home-made mixture, and in most cases a permanent cure is the result.

This simple recipe is said to strengthen and cleanse the eliminative tissues of the Kidneys so that they can filter and strain from the blood and system the poisons, acids and waste matter, which cause not only Rheumatism, but numerous other diseases. Every man or woman here who feels that their kidneys are not healthy and active, or who suffers from any urinary trouble whatever, should not hesitate to make up this mixture, as it is certain to do much good, and may save you from much misery and suffering afterwards.

Our home druggists say they will either supply the ingredients or mix the prescription ready to take if our readers ask them.
